

Private Sale: £5,500

Reluctant sale of our lovely 2.5 litre V6 petrol Bongo with very rare hi-top.

It has been beautifully converted into a day-van/small camper by Colin Rouse in Cornwall.

Cooker, electric hook up, plug in cool box, table, buddy seat, storage (tambour cupboard).

MOT to June 2019. Drive- away awning, everything you need for spontaneous trips away.

157,000 miles, excellent runner, used daily by me until I got a company car.

Price £5,500.

The Van is in excellent condition all ready for you to start your adventures.

Bodywork in good condition for age. It's had some work to wheel arches, to make it tidy, but that's to be expected for a van of this age.

Based in Perranporth but able to bring it to North Devon or Exeter for viewings if this would be helpful to prospective purchasers.
